Dear Rob,

When you hire MKR Building Solutions, you'll receive a promise. We will treat your building as if we were the proud owners. MKR is the leading industry contractor for a wide range of commercial maintenance services including repairs, alterations and landscaping.

Commercial Building Solutions, Inc, a division of MKR, provides innovative and environmentally friendly industrial cleaning services. We'll tailor a plan designed to meet your specific needs and your budget.

The majority of the MRK and CBS clients are repeat customers for two reasons; our pledge to keep things simple, and deliver on time. Regular face-to-face contact with the people who pay our bills sustains our focus on your priorities. This commitment earns us unwavering loyalty from our clients.

Call MRK Building Solutions today for speedy and enterprising solutions to all your facility maintenance and custodial needs.

Sincerely,
